RE: CFIA Hotlines Established & Daily FBCC & CFIA Updates for confirmed HPAI

This communication is intended for farmers who have been identified within the Feather Board Command Centre (FBCC) buffered 10km control zones, in relation to the infected premise(s) with CFIA-confirmed Highly Pathogenic Avian Influenza (HPAI).

This communication is also intended for industry personnel who need to travel into/through the zone(s).

CFIA HOTLINES

CFIA has established the following hotlines:

Movement & Permit Direction*:

Movement Control Line – 519-953-6658; 8 am to 6 pm (EST); 7 days/week, or email: cfia.ontmovementlicandpermitsdeplacementlicenceetpermis.acia@inspection.gc.ca

**We recommend you contact ASAP to arrange for upcoming movement on and off the farm.*

Birds Showing Signs of Illness:

Surveillance Diagnosis Line – 226-217-8022

DAILY HPAI UPDATE SERIES

Please plan to attend the Daily HPAI Update Series which will be held daily at 12:00 noon.

The Daily HPAI Update Series is designed for farmers who are in the zone(s) and industry personnel that conduct business within/through the zone(s) to receive the latest information from Canadian Food Inspection Agency (CFIA) and the Feather Board Command Centre (FBCC).

The Daily HPAI Update Series will be held via Zoom, using the login coordinates below. While anyone is welcome to attend, FBCC is requesting that participants give priority to farmers and industry personnel who are within the zone(s) during the question-and-answer period.

Daily HPAI Update Series Zoom Login Details*:

W: <https://us06web.zoom.us/j/2665883981>

P: 1-855-703-8985

Meeting ID: 266 588 3981

*The Zoom login details will not change day by day. These login details will get you onto the meetings Monday – Friday, starting at 12:00 noon, and until further notice.
