

Infectious Laryngotracheitis (ILT) Biosecurity Advisory Stand Down-Town of Milton

November 27, 2024

On behalf of Ontario's four feather boards, the Feather Board Command Centre announces that the heightened biosecurity advisory issued [in the 10 km area of the Town of Milton](#) has now been stood down.

All poultry farmers, small flock growers, and poultry industry personnel throughout the province should rigorously adhere to [Heightened Biosecurity Practices \(orange cards\)](#) as Highly Pathogenic Avian Influenza (HPAI) continues to circulate in the environment.

If you suspect any signs of health concerns in your flock, please contact your veterinarian and board immediately.

Visit the [FBCC website](#) for detailed information and to subscribe to FBCC Disease Alerts.
